Super Size MeWelcome to 10 Nuytsia Place, Greenwood, where space, comfort, and style converge in this impressively extended residence. Boasting 5 bedrooms, a rare find in this area, this home offers ample accommodation for large families or those seeking extra space. With effectively 2 master bedrooms, versatility meets practicality in this thoughtfully designed layout. Generous living spaces provide room for relaxation and entertainment, while the renovated interior showcases neutral colours and quality flooring, creating a timeless aesthetic. Equipped with solar electrical panels and solar hot water, the home embraces sustainability and efficiency. The generous kitchen features quality appliances, catering to culinary enthusiasts and gatherings alike. Enjoy the luxury of 2 quality, neutral bathrooms, ensuring convenience and comfort for all occupants. Outside, a large outdoor entertaining space awaits, complete with electric cafe blinds, perfect for year-round enjoyment. Parking is a breeze with a double garage, double carport, and additional space on the driveway and paved front area. Ducted evaporative air conditioning to keep you cool, while a front wall adds privacy and creates additional entertaining space. Recently refreshed with fresh paint throughout, the property also benefits from landscaping and yard improvements, including a freshly painted fence and new reticulation, enhancing the overall appeal of the residence. Features:
