A wonderful time to enjoy what nature presents, take walks around 10 Outlook Drive. The garden is a joy, full of colour and fragrance. The birds and wildlife are very special at this time. This spectacular 10 acre property nestled in the Jeeralangs features a brick family home designed to enjoy stunning views across the Valley to the Baw Baw ranges. Surrounded by landscaped gardens that blend seamlessly into the surrounding natural bushland, this haven provides habitat for abundant wildlife including koalas, echidnas and many varieties of birds. The architect design home is built on two levels, with vaulted timber ceilings through the generous living spaces. Along the north side the formal lounge/dining, rumpus room and kitchen/family area have double glazed picture windows which capture the warmth, light and views of the hills and garden. The large kitchen has been stunningly renovated with stone bench tops and quality appliances. It includes a 900mm induction cook top and double oven to make for easy entertaining. All four bedrooms have built-in-robos and the central bathroom & ensuite are also newly renovated. The property includes:

- Seven acres of fully fenced paddocks, spring-fed dam and cattle race,
- Fenced vegetable garden, blueberry enclosure and hot house,
- Three bay shed and double carport and four water tanks (100,000 litres plus)

Highlights include solar hot water and power, solid fuel heating, split system air-conditioner, and only a short walk to the Morwell National Park. This property is minutes to the Churchill shopping centre, Federation University & 15 minutes to Monash Freeway.
