A 1960's-built Mt Gambier stone home sitting on approx. 1,102m² is filled with character and history. Consisting of four bedrooms, one bathroom and separate living area, this property is the right size for a family moving into the area. Stay warm during the winter months by the combustion wood heater and in summer, enjoy the outdoor entertaining area for the weekend BBQ's. Large shedding with power and concrete out the back to store the van or toys or set your very own man/nan cave. Rainwater connected to the house and a 5kw solar system to keep the power bills down. If you would like an inspection, please contact Nathan 85326666.
