Impressive all the way from its return driveway, wide frontage and homestead style façade to a backdrop defined by decks, a spa and established lawn – this family residence matches indoor appeal and outdoor attraction with spectacular impact. A formal lounge featuring dual bay windows leads to a separate central dining space and a family friendly living area beneath a soaring raked ceiling that exposes its beautiful timber beams. Superb solid floorboards carry the timber tones further while the open-plan kitchen's cabinetry, bench-tops and bi-fold doors to the spa deck complement its evident quality. Four bedrooms begin with a main suite in a zone of its own while three further bedrooms and a flexible study or retreat surround the superb family bathroom. The covered spa deck's views over the pool and the rear garden illustrate the alfresco allure of an address completed by substantial secure garaging, work-shop spaces and a studio with its own bathroom. Close to Central Square shopping, Queen of Peace Primary School and parkland expanses – a family home of scale, style and significance.
