This spacious 2 bedroom livable shed home is all you will need, with plenty of room for everyone, with an adjoining 2 bay carport or maybe turn it into a teenagers retreat. Also it has an extra, very large 2 bay garage with plenty of space for all your vehicles, maybe even a workshop. You will have easy access to schools and the shops just located around the corner. In the hot summer days you can go sit on the banks of your beautiful flowing creek or maybe take a dip in the cool water just out the back. Then on those chilly nights you can warm yourself near the fireplace, this home has it all. What else could you ask for...1051sqm Please email me for more information. Cyndi Giulianycyndi@cpo.com.au
