Ready-set-build here where the setting is just perfect. Positioned beautifully in an elevated position amongst an impressive streetscape of architecturally designed, high calibre homes in one of the highest points of Lysterfield, sits this vacant block of 1044sqm where you can build with privacy. Offering a wide frontage of 22.70 metres and panoramic views back towards the Police Academy this allotment is a dream come true. Build and design your own custom residence to meet your every need and reflect your own tastes. Situated within easy distance to local shopping hubs, restaurants & cafés and some of Knox's finest schools including Rowville secondary including the sports academy and primary. Only a short walk or drive to Churchill National Park bike and walking tracks plus easy access to both Monash & Eastlink freeways. This is the land you want offering an exceptional and rarely available opportunity, where you would be proud to drive home to every night and retreat from the world. House & Land packages are also available with this block of land!<https://www.barryplant.com.au/for-sale/10-perry-place-lysterfield-vic-3156-129764/>Proudly marketed by Barry Plant Rowville - 9753 2828
