This incredibly versatile home caters to all your needs. Its adaptable floorplan ensures everyone finds their perfect space in this comfortable spotless residence. The property's northerly sunny aspect is an added bonus, providing ample sunshine year-round. You can adjust the floorplan to suit your own needs. The master bedroom features the morning sun with a view over the valley, not to mention the large built-in robe. The other two upstairs bedrooms also come with built-in robes. The multipurpose downstairs area provides a large rumpus room then out onto the deck for entertainment and BBQ's. The separate large room can serve as a fourth bedroom, a handy hideaway or office with lots of storage. The home also boasts separate lounge, again with views over the valley, and the kitchen dining combination adds to the overall appeal of this exceptional residence. Situated on a cottage garden style 720m² parcel of land, a single garage, and a bonus workshop for weekend projects and additional storage, this property is perfect for those seeking space and convenience. This fantastic location places schools, the Springwood aquatic centre, railway stations and sports fields all within minutes' drive or a 5-30 minute walk. What more could you possibly need?
