Perfect for tradies, renovators or investors, this semi-detached double-storey property is ready and waiting for a makeover. Whether you choose to renovate and live-in, rent out, or sell on, it offers an exciting opportunity in a convenient location. With a large, mature front garden, the generously proportioned family home begins in the living/dining room with gas wall heater, and an adjoining timber kitchen/meals room with electric oven/cooktop. A couple of steps lead down into a large lounge boasting dual-aspect windows and high ceiling with fan, plus a feature open fireplace. A laundry with separate toilet provides access to the expansive back garden with lemon tree and shed. Gates from the front driveway open to provide ample off-street parking, with space to install a new garage (STCA). Upstairs you'll find 3 good-sized bedrooms, 2 with wardrobes, and these are serviced by a bathroom with shower-over-bath, vanity and toilet. This quiet location is just moments to shops, Aquatic Centre, Monterey Community Park, bus stops, and schools, and a short drive to freeway access, Frankston CBD and beaches.
