This lovely family home has been built to enjoy the outdoors. Massive undercover patio area, large grass area to for the kids and a purpose built BBQ area complete with a pizza oven and fire pit. The house is lovely with 2 dedicated living spaces - a sunken lounge and large family area. Kitchen is spacious with plenty of bench, cupboard and pantry space. Each of the bedrooms are a good size, BIR's to minors, WIR to master. Pets considered. Take the time to go for a drive past the property to check out the street, suburb, shops and school if any. We recommend you do this prior to viewing the interior of the property.
