This residence embodies modern living, presenting three bedrooms, one bathroom and an open plan kitchen that overlooks the dining and lounge room on an incredible 1,674m² of beautifully landscaped garden. A centrally located bathroom provides separation from the bedrooms and living area. This block is fully fenced with an electric sliding gate for the front entrance creating a stunning, private oasis. Set at a highpoint on the ridge of Fairview Parks Estate, the home is positioned to capture the breeze from the east. With wrap around verandas and a magnesium pool, this is the perfect home for entertaining or raising a family. Everything has been thought of, all you need to do is move in and enjoy the spacious, well maintained yard and beautiful home. Don't miss the chance to own this property!
