This large family home is perfect for the first home buyer or the astute investor. This spacious 4 bedroom home with 2 bathrooms located in a highly sought after location. Features Included: Spacious Master bedroom with walk-in robe and a full ensuite, Large kitchen with island, gas hotplates and oven with dishwasher overlooks the fully tiled meals living area with easy exit to the undercover alfresco BBQ area. There is also a second living area that although is currently open can easily be closed off with a couple of doors to create a private dining area or 5th bedroom. Spacious family bathroom with separate bath and shower plus separate toilet. 3 further large bedrooms with BIR's makes this property super appealing with an undisturbed outlook to grassy fields. Further more there are solar panels to assist the cost of living, gas ducted heating, multi split system cooling, extensive tiling in living areas and a double garage with a new door. Ideally located close to schools, shops & sporting grounds and perfectly positioned facing Northerly aspect sun a quite location.
