Magnificently nestled between breathtaking streetscapes in a prestigious location, this illustrious home's spectacular dimensions seamlessly merge grandeur and elegance with classic designer style and luxury. The grand first impression created by an elegant facade is immediately matched by a series of unforgettable, flexible spaces that reflect a focus on lavish family living. Refined formal rooms beneath high ceilings set the tone for ground floor spaces that include formal lounge and dining along with everyday dining and living zones bordering a solid yet spacious kitchen and the added bonus of a well-proportioned study. Four spacious bedrooms located on the first floor deliver generous proportions and include a substantial master bedroom with a sophisticated ensuite and significant built-in robe all positioned around the first floor living room, an inviting retreat creating unsurpassed family luxury. Accompanied by a double garage on an allotment of 690m², enjoying an advantageous location, the perfectly presented exterior is landscaped to perfection enhancing lush lawns and greenery on a low maintenance scale. A long list exemplary additional highlights include: * Classic brick and tile construction * Split System Air Conditioner * Ducted Air Conditioning * Additional storage under the staircase * Spacious patio overlooking the rear yard * An unrivalled location sitting just 8.2km to Stockland Greenhills as well as being in the catchment zone for quality local schools
