Location is everything, and Southside Gympie offers the best of both worlds. Peaceful suburban living and close proximity to all amenities. With the Gympie CBD just a stone's throw away, you'll have easy access to shops, restaurants, and entertainment. Just by adding your own personal touch. Imagine stepping inside and being greeted by a warm and inviting atmosphere that instantly feels like home. This well-appointed layout encompasses the basics with three bedrooms, one bathroom, kitchen, dining, sun room, and single car garage. A home is not just about the interiors—it's also about creating lasting memories outdoors. With a generous 2000 square meter, flood free block of land, you'll have all the space you need for endless possibilities. With plenty of room, you can easily add a workshop/shed, studio, pool, or your personal haven for hobbies and crafts. This large open area has plenty of room for you to host family barbecues, play games, or simply bask in the sunshine with your loved ones. Subdivision is also an option (STCA). The possibilities are truly endless! Contact me today to arrange a private personalised viewing and experience the magic of this property firsthand. Act fast, as this rare gem won't stay on the market for long. Your dream awaits—seize this opportunity and start a new chapter of your life in Southside Gympie! Property Code: 8
