Basking in a premier beachfront position, this luxurious holiday residence spans three striking levels, each dominated by the azure blue of the ocean and the warmth of the sands. Architecturally designed to maximise the interplay of light and form, its bold, clean lines create a dramatic backdrop for the beauty of the natural surrounds; the sweeping open plan layout invites the outdoors in from every possible vantage point. Broad, oceanfront decks extend the living space further, merging easily with level lawns, the sand and the surf. Stunning interior design features high ceilings and hardwood floors. Ground level entertaining lounge connects with deck, lawn & ocean. Designer kitchen includes thick stone benches, quality appliances. Serene master includes internal garden, luxurious ensuite & WIR. Smart, stone finished bathrooms, each bedroom with built-ins. Kitchenette on first level, two storage rooms, plantation shutters. 10 minutes from Terrigal and only 90 minutes from Sydney's CBD.
