Nestled in a quiet cul de sac in the family friendly village of Uranquinty, this three bedroom brick home is an absolute must see for young families, first home buyers, downsizers and investors alike. The floorplan is spacious, with a renovated kitchen, opening on to a large dining and separate living space. All three bedrooms have built in robes and there is ducted evaporative cooling and ducted gas heating to the whole home. Outside is a double carport with gated access through to the yard. A couple of garden sheds, undercover entertainment area and an amazing veggie patch all surround the jewel in the crown - a sparkling inground swimming pool. There's not much around at this price that is so desirable, so book your inspection now!
