This nicely presented home with timber floors, is set in a well connected Winston Hills enclave. Separate living rooms, 3 bedrooms and a lovely sunroom provide space for the whole family. The lounge caters for all seasons with a cosy fire place in winter and split system air conditioning in summer PLUS the back yard has a sparkling inground pool and cabana. Cooking will be a breeze – the kitchen has plenty of bench space and natural gas. Step out back and you will see the yard needs some TLC - ready for you to transform it back to its former glory. With a land size of 594sqm and a double garage the property is filled with potential.
