Upon entering this modern four bedroom home you are totally impressed by the open plan living lifestyle with a split system air conditioner to cool this whole area. The immaculate kitchen with stainless steel built-in dishwasher, S/S wall oven, hotplates, rangehood would be a pleasure to use. The hardwood timber flooring to the kitchen, dining, lounge, hallway and bedrooms gives a fresh clean look to these areas. The bedrooms are all air conditioned with built-in wardrobes to complete. The main bedroom including an ensuite with tiled flooring also tiles to laundry and main bathroom finishes these areas off immaculately. A good sized timber deck with access from the front door is a nice addition. Colorbond fencing surrounding the back yard makes a private retreat to come home to. With large storage cupboards in the dining area, screens to windows and doors, double garage, double carport, pathway to front stairs and a full driveway set on 600sq m of freehold land makes this property worth a closer look.
