This meticulously maintained home on an expansive 3586m² corner block with lush, leafy native and tropical gardens creating wonderful privacy and ambience, offers family-friendly living with plenty of appealing features to delight all. A slightly split level architecturally inspired residence solidly built to the highest standards; the home comprises formal entry at ground level, four bedrooms plus office, two bathrooms, two separate living areas, central kitchen, wraparound verandah plus large open-air deck, separate laundry with third toilet, and masses of parking and storage/workshop space under. Split system air-conditioning x 2, ceiling fans, raked ceilings in lounge and dining/kitchen, security screens, stainless steel appliances, raised bathtub adjacent to big bay window in family bathroom with gorgeous French doored entry, generous storage, and very private inground pool and sunbathing deck framed by palms - are just some of this elegant home's many features. The gardens are absolutely resplendent with well-established trees and shrubs, raised vegetable and herb beds, open grassy areas, and pops of colour and green everywhere! The birdlife you'll observe on a daily basis is extensive, attracted to the flowering plants and shrubs, it truly is a magnificent garden that will be appreciated by all who visit. Whether sitting on the deck enjoying a morning cuppa or firing up the BBQ after a morning at the beach or lazing by the pool with an icy cold mojito in hand and a good book - this is a home very much in symmetry with the Queensland climate and lifestyle, where the outdoor space is just as inviting as the indoors. Located just a few minutes' drive (or 25 minute walk) into Cooroy to access retail, dining, and commercial facilities, schooling, and rail to Brisbane; 15 minutes to Noosa River for boating/fishing and 25 minutes' drive to Noosa Main Beach with quick, easy access to Cooroy Noosa Road - your weekends will be filled with as much (or little) activity as you choose. Presentation inside and out is impeccable, long-term owners have loved living here and you really feel the warmth and love throughout. It's the type of home that invites you inside and envelops you with a sense of calm and peace...you will immediately feel at 'home'. Welcome.
