\$725,000

Perfectly positioned in a popular bay side suburb, this combination of land and its improvements, is not to be missed. Currently in an unfinished state, the property comprises 2 brick dwellings originally constructed as a 2 and 3 bedroom townhouse development. The dwellings are positioned on some 613m² of un-subdivided land and will be offered for sale, as is. For more information, or to inspect the property, contact James Wilson today.
