Tucked away in a serene cul-de-sac, just a short stroll from the picturesque Serpentine River, lies this meticulously renovated two-story family home that effortlessly caters to every family need. Situated on a generous 728sqm plot, this residence has undergone a remarkable transformation from its original 1990s brick and tile structure to the exceptional property it stands as today. The modern kitchen is a haven for chefs, equipped with a 900mm stainless steel freestanding oven, rangehood, dishwasher, overhead cabinetry, and a convenient serving window opening to the outdoor patio area. The expansive entertainment space, spanning approximately 60sqm, provides ample room for year-round hosting or simply unwinding while observing children playing in the low maintenance backyard. Upstairs, the secluded grand master suite exudes luxury with its extra high ceilings, space for a sitting area, walk-in dressing room, and a stunning ensuite. On the ground floor, the secondary master bedroom boasts its own ensuite and walk-in robe.
