A quality renovation has beautifully transformed this stunning 4 bedroom, 2 bathroom weatherboard home into a bespoke sanctuary of modern function and style. Flooded with fabulous natural light, timber floors and plantation shutters add a contemporary feel to the generously proportioned open plan living/dining environment, warmed by a Coonara wood heater and including a striking kitchen appointed with stone surfaces and quality stainless steel appliances. Step outside on to the sunny deck, which overlooks a heated plunge pool/swim spa, creating a beautiful backdrop for private entertaining. A spectacular achievement in modern family living, complete with new carpet, double glazed windows, ducted heating, evaporative/split system AC, shed, double garage and carport. Positioned in a family-friendly locale within the Ashwood High school zone, close to parklands, shops, schools, transport and M1 Freeway.
