Perfectly positioned at the end of a quiet court within walking distance to the Leongatha township, this large 1,263m² block offers a rare opportunity to secure a titled block of land with more than enough room for an expansive family home and a big shed. The sloping block offers endless potential to create a split level/multi story home, taking full advantage of the views over the reserve and the rolling hills in the distance. All services are available including power, water, sewerage, NBN and natural gas. Surrounded by quality established homes and backing onto the popular Mitchell's Rise estate, why wait for the land to title elsewhere when you can custom design your dream home and start building now?
