\$1.59m - \$1.69m

An untouched jewel that basks in the beauty of a high-set position, spectacular tree-top views out to the Kinglake and Yarra Ranges are an enchanting accompaniment to this vacant block of approximately 3.58 hectares. Established in idyllic bushland while conveniently featuring a large, cleared section where you can construct the home of your dreams (STCA), know that your breathtaking panorama will never be built out by your neighbours. While listening to the birds chime and watching the kangaroos graze, just remind yourself that this property is only 29 kilometres from Melbourne's CBD. On the cusp of the Yarra Valley's world-class wine region and only a short distance to Chirnside Park Shopping Centre and Croydon North Village, be surrounded by elite schools including Luther College, Yarra Valley Grammar, Oxley Christian College and Yarra Road Primary School.
