This character weatherboard home has been tastefully renovated to offer a mix of original charm and contemporary delights to suit all occasions. Boasting high ceilings and beautiful timber floors throughout, as well as large windows, they allow abundant natural light to flow through the generously proportioned rooms. A sizeable entry foyer leads to the expansive living zone, which is the central hub of the home and a place that can be enjoyed by all. A modern kitchen and dining area are adjacent, featuring stone benchtops, white gloss cabinetry, a subway tiled splashback, a Bosch dishwasher, and a gas cooktop. The residence offers four robed bedrooms that are well placed throughout the home, plus a fully renovated en-suite and a bright central bathroom. Gas-ducted heating and split-system heating and cooling ensure comfort year-round. Additional features include a substantial backyard as an open playspace, perfect for entertaining. A single carport provides shelter from the elements, plus two storage sheds and secure parking behind lockable gates for two cars. You're within walking distance of Heatherdale Railway Station, local buses, Rangeview Primary School, Vermont Secondary College, and green spaces such as Heatherdale Reserve and Somers Trail.
