A life of light, space, and family-oriented alfresco appeal in one of Langwarrin's newest and most secretive locales. Spreading back beyond all expectations, this abundantly spacious 4-bedroom, 2-lounge home delivers the family lifestyle you deserve, with its modern style exceeded only by its premier finishes. A setting above the streetscape opens to a vibrant layout ready for the growing family, moving beyond a fireside formal lounge to a family and dining space filtered with natural light. Fisher & Paykel and Smeg appliances accentuate the quality of the stone-laden kitchen and its exemplary space, with a focus on entertaining evident with its bi-fold servery window to the adjacent covered deck and tiered yard. The immense main bedroom is a designer delight with a fitted walk-in robe and stylish ensuite, matched by a central bathroom, laundry, and toilet serving the remaining three bedrooms. Finishing features include split-system air conditioning, ducted heating, high square-set ceilings, and a double garage with internal access.
