New to Market

This two storey Georgian residence is an amazing piece of The Hills history. This stately home offers a canvas for endless possibilities, each corner whispering tales of history, culture and grandeur. From the moment you pass through its grand gates, you're greeted by an aura that transcends time. The sprawling grounds, open gardens and ornate architecture create a symphony of elegance. Magnificent 1970's architecturally designed home first time offered. The property features: Private and secure entry via a circular drive to the grand main entrance. Suspended concrete slab flooring, soaring high ceilings and floor to ceiling windows. A curved staircase adds a touch of architectural elegance leading to 5 expansive bedrooms, 2 of which have en-suites. Light filled formal and informal living areas of exceptional proportions leading out to the rear garden. An inviting country kitchen flows seamlessly to the formal dining room and informal meals area. Commercial sized laundry, storerooms and a triple car garage with drive through access. 10m saltwater pool. Reverse cycle air-conditioning to the first floor of the home. Overall, the five-acre estate represents a rare opportunity to enjoy the best of both worlds: the tranquility of rural living combined with the convenience of city amenities. Whether used as a private sanctuary for relaxation and rejuvenation or as a special setting for entertaining and hosting events, this unique property offers endless possibilities for living the quintessential country estate lifestyle just moments away from the heart of the Sydney CBD. Rarely do homes of this calibre, in a prestige location amongst other multi-million-dollar homes and on a wide block, come on the market.
