A charming home to fall in love with, this low maintenance three bedroom Federation-style brick home is enviably located within walking distance of primary and secondary schools, childcare services, local shops, the 537 bus stop, gorgeous Malcolm Creek parklands, and nature trails. Exuding character and charisma, the home has a cute picket fence frontage, an easy-care front yard with high stemmed roses, and a lovely veranda. Inside, high ceilings and ornate timber fretwork create an inviting atmosphere, with a long entrance hall leading to open-plan kitchen, meals, and living areas. The kitchen boasts a stainless steel oven and electric cooktop, along with ample bench space and storage. Living areas open to a concreted undercover outdoor entertaining area complete with an external awning, overlooking the fully fenced, very private Astroturf rear yard. Accommodation includes an extremely generous main bedroom with a lovely box window, while the remaining two bedrooms are both fitted with built-in robes – all serviced by a pristine central bathroom with a bath, shower, and separate toilet. Very comfortable, this adorable home includes a remote-controlled garage with internal access, exterior security shutters, ceiling fans, evaporative cooling, and a neat laundry. A perfect property for first-time buyers, investors, or downsizers!
