Located in the lovely estate of Riverparks, this home is surrounded by very house proud neighbours and the parks infrastructure of this new development are only a short walk away. This house is pretty as a picture from the street. How fabulous to find a four bedroom near new home at such a price! The home offers four bedrooms ALL with A/C. The master bedroom also offers a very nice ensuite. There are two separate living areas for your family to enjoy also with A/C. The family bathroom is neat and fresh as you would expect in such a young home. You even have remote control access to your double lock-up garage. This home will rent quickly, so contact our office for an inspection now.
