Discover the perfect coastal lifestyle in this solid and spacious home, ideally located within a comfortable walk from the picturesque Moonta Bay jetty. Contact Tim Hosking for guidance on market pricing. If you're looking for a home that offers both flexibility and convenience, this is the one. It's designed to suit your needs, whether that means three bedrooms and two living areas or four bedrooms and one spacious living area. Three of the bedrooms are equipped with built-in robes. There is lots of storage options throughout the home and a main bathroom with a separate toilet adjacent to the spacious laundry. The well-appointed kitchen features a wall oven and a generous pantry, making it a hub for culinary creations and family gatherings. The adjacent meals area is perfect for casual dining. With six ceiling fans throughout the home and two split system reverse cycle air conditioners in the living areas, comfort is at your fingertips throughout the home. You'll appreciate the spacious alfresco area, which basks in the warm morning sun and remains sheltered from any south westerly rain. In addition to the single garage under the main roof, there's extra space for your prized boat or caravan with a high carport measuring 3m wide by 5.7m deep and a shed measuring 3m wide by 6.4m deep that provide secure storage. Don't miss the chance to make this your home come to an open or call Tim Hosking to arrange a private inspection on 0419168989. We are doing things differently at HARRIS on the Copper Coast.
