Expression Of Interest Closing on 12/Jun at 3:00pm

This vast rural land located in Esk, Queensland is now available for sale. With approximately 134.76 hectares of land, this property is the realization of agricultural dreams. Just a 10-minute drive from the center of Esk, the land enjoys convenient access while maintaining a tranquil rural atmosphere. Currently cultivated with ginger, the property also has the potential to grow dragon fruit and various other crops. Surrounded by a rich natural environment, this land offers abundant ecological resources, making it an ideal location for agricultural development. Whether you're looking to establish your own farm or build your dream estate, this property is the perfect choice.
