If you're looking for an authentic country home that exudes warmth and character, then this property is a must-see. The well-designed and lovingly maintained lifestyle property sits on approximately 3 acres of land, with an enormous shed that offers high clearance and automatic back and front doors, making it easy to navigate around the property. The four-bedroom home boasts a homely feel with a blend of exposed brick and feature timberwork. The living areas are thoughtfully separated, and one lounge, in particular, has an irresistible charm. The family that owned the property has taken great care of it, which is evident from the recently replaced roof. We highly recommend inspecting the property to experience its unique charm and beauty. Don't miss out on this opportunity to own a stunning country home that offers a peaceful and relaxed lifestyle.
