This large family home is the complete package with room to move over 2 levels. Downstairs the home is fully built in and hosts a large open plan living space, quality kitchen with brand new bench tops, spacious bedroom with built-in wardrobes, quality bathroom and full length private rear patio ideal for entertaining. Following the timber internal staircase to the upper level there are a further 3 bedrooms + sleepouts & this area highlights the character features of the original colonial including pine walls & featured archway to the lounge/dining area. Stepping outside there is undercover parking for 3 cars with the house plus the 2 bay powered shed for extra vehicle storage/workshop. Situated on a well kept 512m2 allotment in a handy rockhampton Location. Value Buy.
