La Luna building stands out as an extraordinary structure that harmonises contemporary design, meticulous attention to detail, and superior craftsmanship. Collaborating seamlessly, our world-class architecture and construction teams have fashioned a distinctive façade adorned with brass accents, lending the building its distinct character. Residents have the privilege of relishing the serene ambiance of our exquisitely landscaped communal garden, serving as a tranquil sanctuary amidst the urban hustle. Highlights: Prime corner location with minimal shared walls and abundant natural light throughout the day. Top-notch construction featuring upscale finishes and spacious proportions throughout. The open-plan living and dining area boasts herringbone timber tiles and seamlessly extends to a balcony designed for entertaining. The gourmet kitchen is equipped with quality appliances and a sprawling Calcutta stone bench. A built-in study nook caters to remote work needs, while the extra-large bedrooms come with ample built-in storage. Luxurious tiles adorn the well-appointed bathrooms. Additional amenities include fully ducted air-conditioning, an internal laundry with a dryer, and access to a communal garden and entertainment area. A private lobby ensures exclusive entry, and residents benefit from a secure car park and storage. Enjoy convenient walk-through access to the retail offerings of Westfield Shopping Centre, the railway station, and all the lifestyle perks of Burwood. Please feel free to contact Sudan Xu on 0430183008 for more information or inspection.
