It's the views that surpass expectations, spanning the stunning Melbourne city skyline, coupled with the generosity and function of the internal and external living space offered that define the magnificence of this brand new home. With approx. 220m² of internal living, this home has an array of features and amenities that a homeowner would expect from a property of this stature. Considered kitchen & butler's pantry with a fully intergraded Fisher & Paykel fridge/freezer, Ilve cooktop, wall mounted oven and combi oven. Wine fridge and extra amenities in the well planned butlers. The large Northern terrace looks out over the rooftops and skyline of Melbourne and has a spectacular bay aspect from the second Western terrace. Master suite, with its lavish proportions, exudes comfort and luxury with an impressive walk in robe, large bathroom with double vanity and free standing bath tub. Second and third bedrooms also boasting designer ensuites. Secluded and spacious double study, family sized laundry, power room and excellent storage throughout. 2 car spaces and 2 storage cages on title. With a real sense of grandeur, high ceilings and an abundance of double glazed floor to ceiling windows; it's the epitome of indoor/outdoor living and is a space primed for hosting family and friends. A celebration of Melbourne, truly unique and distinctly liveable, welcome to penthouse living at its very best.
