The stellar position of this sky-high sanctuary in multi award-winning architects' Fender Katsalidis' landmark 'Ivanhoe Apartments' gives rise to some of Melbourne's most spectacular panoramic views. Day and night the amazing uninterrupted outlook that encompasses the city skyline and the Macedon Ranges is a breathtaking backdrop to stunning low-maintenance living in this ultra-stylish two bedroom balcony apartment. Peacefully located on the 10th-floor with high-speed lift access, the commanding vista is only a part of the picture as this immaculate apartment is brilliantly designed and beautifully appointed with double-glazing, split-system heating/cooling, engineered oak flooring and video intercom. Flawlessly low-maintenance for first-home buyers, downsizers and investors, a sophisticated single-level interior with scenic picture-window views from every room includes two sizable bedrooms each with built-in robes. The kitchen is primed to prepare gourmet delights with its top-line European appliances (induction cooktop, dishwasher) and features soft-close storage and a waterfall breakfast bench. A smart dining and living room offers tinted sliding doors that open to an undercover balcony where entertaining is an unforgettable experience with a sweeping bird's-eye view that seemingly goes on forever. There's also a streamlined central bathroom, a European laundry and ample storage plus a basement car parking space and a storage cage. 'Ivanhoe Apartments' sits at the peak of lifestyle perfection offering resort-style residents' amenities to rival the best hotels including heated infinity pool, a sun deck, fully-equipped gymnasium, lounge, dining and entertaining areas. The location too is a significant drawcard being just a short stroll to the Burgundy Street precinct's vibrant cafes, restaurants, shops, supermarkets, train station, medical facilities and the Austin Hospital as well as parklands and the Yarra River. Relax, indulge and enjoy the view! Miles Real Estate
