Discover the allure of this pristine rural expanse in Piora, Northern NSW—a sprawling 165-acre grazing block boasting an idyllic building site with panoramic 360-degree vistas. Presently accommodating 40 to 50 breeders, this parcel is endowed with abundant water access via a coveted water certificate linked to the “serpentine” lagoon. Notably diverse, the property features expanses suitable for cropping or forage crops, complemented by a sheltered gully hosting a replenishing dam. The elevated plateaus offer breathtaking rural panoramas that stretch across neighboring farms to the distant ranges. Enhancing its functionality, old stock yards stand ready for efficient cattle handling. Positioned just a brief 10-minute drive from the regional cattle selling center of Casino, this property seamlessly blends convenience with rural tranquility.
