\$453,000

Owner-occupier or investor potential, within walking distance to the CBD. Luxurious inner-city investment opportunity. Displaying panoramic views toward the river, this deluxe one bedroom plus a good size study room apartment is ideally suited to investors and couples. Set on level one floor of the 30-level of Brisbane Casino Towers' Arise complex, and on the doorstep of the city's business, dining and entertainment precinct. This unit also has a good size backyard which you can walk to the street from your own access. Stylish in its design and generous in its layout, it offers a great inner-city retreat with light filled interiors, great air cross-flow and a user-friendly floorplan that takes full advantage of the views. From here you are just a few footsteps from Southbank's vibrant dining and cultural precinct, and a stroll away from the heart of the CBD. Currently tenanted with 600 per week rental. - Separate bedroom area with built ins plus a designer bathroom - Good size study room can design to be the second bedroom - Luxury on-site resort facilities for the exclusive use of residents - Swimming pool, spa, sauna, fitness center and entertainment spaces - A quality security building with lift access, intercom and car space
