With a bold architectural exterior this brand new boutique collection of four luxury apartments, exclusively tucked away in a private cul-de-sac in a tranquil pocket of Caulfield North, presents a fabulous opportunity. Whether you're a young professional couple/family looking to make your mark or a downsizer looking for single level low maintenance ease without having to compromise, these superbly appointed house sized residences, with two on the ground level & two elevated, set a new benchmark in contemporary living. From the moment you enter this first floor sanctuary, you'll immediately get a sense of the exquisite craftsmanship, high end finishes & beautiful aesthetics that harmoniously combine to create a luxurious home, naturally light filled & with lovely green aspect at every turn. Stunning oak parquet flooring flows throughout the spectacular open plan living & dining domain with electric fireplace, while expansive sliding doors seamlessly connect to a large privately enclosed alfresco private terrace providing brilliant versatility to relax & entertain with absolute ease. Adding to the allure, a sleek state of the art kitchen entices with a large waterfall edge Titanium Gold Granite leathered finish central island bench & bench tops. A suite of high end appliances (including two integrated side by side fridge/freezers, dishwasher & double oven), designer lighting & an abundance of custom built cabinetry. Also featuring master bedroom with luxe floor to the ceiling tiled ensuite and walk in robe. Two additional bedrooms with a stunning central bathroom & large separate powder room. One of the bedrooms has access to its own private balcony. This exceptional residence also delivers secure basement parking for two cars with storage cage & lift access, video intercom entry, ducted heating/cooling & a separate laundry. All this, close to shops, local cafes, a choice of transport options, elite schools & parklands.
