This contemporary apartment combines the ambience of a dual-level townhouse with the vibrancy of cosmopolitan living, located just moments from aromatic cafés for your daily caffeine fix. The generous living and dining room, leading to large balcony, features a sleek kitchen with stainless-steel appliances including an oven, gas cooktop, and dishwasher. The convenience of a European laundry and a powder room round out the lower-level's amenities. The first-floor accommodate two bedrooms: one with walk-in robes and the other, with mirrored built-ins and soaring ceilings evoking the feel of a spacious warehouse loft. A modern bathroom presented in calming neutral colours, a car space and ducted heating and cooling complete the features. With local shops, vibrant dining-out choices likely to tempt you away from the kitchen, and easy access to trams and trains, this home positions you perfectly to indulge in the dynamic lifestyle right outside your door. Ideal for both living large and savvy investing, it's primed and ready for its next chapter.
