A one bedroom apartment that brings exceptional modern appeal to the entry level or investor market, this bright, inviting property makes the Kingsville decision easy. Balcony outlooks and beautiful northern light complement a living/dining area of outstanding style, featuring an intelligently integrated open-plan kitchen while the desirable double bedroom is served by an impressively appointed bathroom. Reverse cycle heating/cooling means comfort is constant and an allocated car space and storage cage ensure convenience is complete. One of only six, positioned opposite Bassett Reserve and enhanced by the presence of bus routes and nearby Cruickshank Park, this is the ideal way to make your first home an unforgettable one or to invest the very best way in the west.
