Located in walking distance to Church St, Brighton and featuring only eleven apartments at 66 Black Street, this carefully curated living experience has been designed to appeal to homeowners seeking that intersection between spacious contemporary design and comfortable luxurious liveability. Securely situated on level one. This sophisticated three-bedroom residence boasts a modern open plan space, with a highly sought after North-west facing aspect, providing beautiful natural light throughout. One can move seamlessly from the open plan living and dining, with a built-in gas fireplace, to a spacious, sunny terrace for outdoor entertaining. This stylish residence features a marble kitchen and island bench, laundry room, and three generous bedrooms. The master suite features its own ensuite and robes. Not to mention, the apartment also has the luxury of including two secure side by side basement car spaces, and a private storage room. Located beneath the ground floor are a secluded and sophisticated set of amenities to replenish and recharge the senses. This space includes a wine cellar, lounge area, private dining room, kitchenette, billiards table, gym and yoga studio. In the parking area, owners can make use of further amenities such as the electric vehicle charging points, pet grooming facilities, bicycle storage, golf club lockers, and a car washing station. Completed, brand new and ready to move into. Private Inspections by Appointment. Contact Sarah Jones 0408 365 361 or Tegan Reincke 0439 320 470.
