Owning a coveted leafy corner position in the architecturally revered 'Mandeville Lane' development by Catt Architects and Jack Merlo Landscapes, this two bedroom, two bathroom prize reveals a superb level of quality and detail that redefines contemporary class and comfort. Enriched with city glimpses through the trees and a covered wrap around garden balcony, the stylish interior displays a stunning connection to its premier surroundings. Finishes of oak and marble flow through an open plan layout, brilliantly zoned with entertaining the focus within the premium Miele kitchen. Sliding doors allow seamless access to the terrace for alfresco dining, whilst the bedrooms promote relaxation, including the main bedroom with an ensuite. High ceilings, full height windows, and sheer linen curtains create a sophisticated atmosphere, with highlights including ducted RC/air-conditioning, European laundry, video intercom, security entry, a garage space and a separate storage room. Placed in a brilliant lifestyle precinct, opposite Mammoth Cafe, steps from trams and Toorak Station and a short walk from Beatty Ave, Orrong Park, Hawksburn Village, High Street boutiques, and premier schools.
