Light & bright low maintenance living is the order of the day at this contemporary property right amongst the best of a very popular neighbourhood. With buses running right past the door and Parkmore Shopping Centre just a kilometre away, the home is poised for the easiest lifestyle, perfectly suited to busy families and time-poor professionals in equal measure. Crisp and very functional, the interiors provide a neutral basis on which to add your personal magic, with the layout featuring a formal lounge to the front then leading through to the open plan entertaining zone alongside a smart stone kitchen equipped with stainless steel appliances including a 900mm oven. Plenty of cupboard & preparation space makes this a great space to welcome guests inside or out in the sundrenched north-facing garden. Peacefully tucked away upstairs are the four double bedrooms, each one benefiting from generous fitted robes, the master with its elevated views across the rooftops boasting walk-in robes and a modern ensuite. The remaining bedrooms are serviced by a full central bathroom which offers a handy separate WC, while storage on both levels, a downstairs powder room and laundry with yard access are all included. Rounded off by ducted heating/cooling throughout and a double garage fronting Rosette Crescent to the rear, the home has visitor parking out the front and is just metres to parks & playgrounds and within easy reach of schooling and Eastlink.
