With a frontage that demands your attention, this bespoke design is centred around the oversized foyer overlooking a light filled courtyard. Space and privacy are in abundance with a large lounge room opening out to the foyer, and a truly luxurious master suite with all the trimmings, offering relaxed private spaces to retreat. The massive open plan living zone occupies the rear of the main zone, featuring a large gourmet kitchen with island bench and butler's pantry flowing out to a large alfresco, perfect for entertaining. With a dedicated children's zone including the remaining bedrooms, family bathroom and plenty of storage, the Karalee Park is a winning family entertainer.
