There is so much to love about this home. Built with the family in mind and in particular the family that loves their camping, fishing and motor sports or just looking for a home with loads of space. High set with ample room under the house for the cars, boat and campervan as well as a 6m x 9m powered shed that is sure to impress. The yard offers space for the kids and pets to run and play and the high fences all round will keep them in. The inground pool is the icing on the outdoors. Upstairs and the wrap around balcony is the ideal spot to just chill or enjoy the Dry season dinners. Internally the living and dining areas wrap themselves around the large kitchen area which boasts ample bench and cupboard space and dishwasher. You will love the space the kitchen offers. Bedrooms one and two are complete with built in robes and split system air-con, whilst the master bedroom is further enhanced with a walk in robe and private ensuite. Bright polished timber floors are laid throughout the upstairs. Located a short drive to Bakewell Primary, this family home has got lots to love.
