This spacious family home offers an array of features that cater to comfortable living and entertaining. The kitchen is a chef's dream, with a generous layout that includes a dishwasher, gas cooking, fridge plumbing and a range hood. There is abundant cupboard and bench space, a large pantry, and plenty of deep drawers for storage. This kitchen is designed for practicality and culinary excellence. The living and dining areas are bright and open, complete with split-system air conditioning. Casement doors open out to a large undercover entertaining area, connecting the indoor and outdoor spaces seamlessly. The modern and fresh bathroom features a rainwater shower head and stylish tile choices with a separate toilet. All three bedrooms are spacious and come equipped with built-in cupboards, ceiling fans, and split-system air conditioning. An additional rumpus/living/entertaining space is a versatile area, tiled and air-conditioned for maximum comfort. The outdoor area is designed for low maintenance, with easy-care gardens and beautiful shady trees. A long concrete driveway offers covered car parking, protecting your vehicles from the elements. The house is set back on the block, ensuring privacy, which is an important feature of this property. You can rest easy knowing that a completely new roof was installed in July 2023, relieving you of any roofing concerns. This family home is both practical and stylish, offering ample space for family living and entertaining. The well-designed kitchen, spacious living areas, and inviting outdoor areas make it a great place to call home. Be quick and call City & Country Realty TODAY!
