With nearly 100 acres, permanent water, and a lovely home in prime position, this beautiful farm has so much to offer. Set in the undulating hills and creek flats of McKees Hill, under 14km to Lismore CBD and about 17km to Casino CBD, here you can enjoy the country life in a convenient location. Pelican Creek feeds a large lagoon at the bottom of the property, plus there are 2 dams, a 7000 gallon rainwater tank, 7000 gallon dam water tank and 7 troughs supplying the 7 paddocks. Surrounded by established gardens, the well-presented 4 bedroom brick home is ideal for the family. There are 4 bedrooms; 3 with built-ins and the master privately positioned at one end of the house, with walk-in wardrobe and ensuite. The tidy kitchen is well-equipped and has an adjoining breakfast nook and dining room, which open out to the covered patio offering peaceful rural views. The family bathroom has bathtub, shower and separate toilet. There's plenty of storage space and parking, with a double garage and carport adjoining the house. Other improvements include a large machinery shed with two roller doors and a large open bay, and steel cattle yards. Carrying capacity approximately 40 cows year-round.
