Established on a well-sized level block is this solid, comfortable and fully renovated brick-and-tile home. From the covered patio you'll enter into the generous air-conditioned open plan combined dining/lounge room. There are three good sized bedrooms, all with built-ins with ceiling fans and a brand new airconditioned main. The bright, tidy open plan layout leads to a brand new kitchen featuring storage and bench space galore flowing through to the hallway leading to the bedrooms. All with easy access to the backyard, garage and laundry. Outside, you'll love to cool off and relax under the full length covered patio. The completely level, fully fenced backyard is perfect for the kids or pets to safely play, with easy-care gardens. There's also a garden shed for extra storage. All this amenity and so close to sporting fields, schools, university and shopping opportunities. Live in or invest as the opportunities are endless. NB: This home was affected by flood in the 2022 flood event. call today to book your private inspection.
