The rhythm of family life finds its perfect harmony in this all-encompassing family residence, surrounded by leisure-focused alfresco spaces, multi-generational living options, and a work-ready barn for a lifestyle experience like no other. The rich hues of Blackbutt floors guide beyond a carpeted lounge into an open-plan entertainer's design, warmed by a floating wood fireplace and flourishing beyond the four walls to a northern pool deck and a crafted woodfired pizza oven pit. The kitchen is a home chef's dream of style and functionality, with a suite of quality appliances, a servery window, a buffet bench, and zoned indoor-outdoor audio catering to the needs of any lavish gathering. The main bedroom indulges itself with ample robes, a spa ensuite, and unique deck access, perfect for morning coffee enjoyment or stargazing at night. Three additional bedrooms with ceiling fans encircle a deck-side rumpus and a striking renovated bathroom. Amenities stretch beyond the four walls, with a fitted workshop with 3-phase power and plumbing providing space to craft, tinker, and innovate, plus an air-conditioned 1-bedroom granny flat with bathroom and laundry facilities for easy multi-generational living. Additional features include 66,000L of water storage, camera security, a 20ft storage container, a 10kw solar system, ducted vacuuming, a fitted home office, automatic gates, a double garage, and space for boat/caravan parking. More than just a house, it's an understanding of what makes a forever home truly exceptional. A lifestyle that transcends the ordinary sits moments from the best of the Mornington Peninsula while remaining convenient to Bittern and Hastings township amenities.
