This is the one you've been waiting for, welcoming you through a charming arbor into a garden that feels like your own private oasis. The main house, The Maples, features 3 bedrooms and 2 beautifully maintained bathrooms, including an ensuite off the main bedroom. Throughout the home, you'll find a blend of elegant period detailing enhanced by modern updates. From the polished Tallowood timber floors to the high ceilings, gas fireplace, and timber windows, every aspect exudes charm and character. The kitchen, often considered the heart of the home, truly shines in this property. From the Silestone bench tops, stainless steel appliances, and gas cook top, the kitchen not only offers functionality but also serves as a focal point for family and friends to gather, cook, and create lasting memories together. Its connection to the beautiful back garden adds to its charm, making it a truly inviting and special space. The combined lounge and dining room offers a warm and inviting area, perfect for special nights by the fireplace. The family room flows out to the balcony, providing another place for entertaining or just enjoying the vista with a quiet cuppa and a book. Apartment 60sqm: Above the garage you'll find a modern 1-bedroom apartment (separately metered), with private entry, bathroom and laundry facilities. The cathedral ceiling in the open-plan kitchen and living areas enhances the sense of spaciousness, while the deck offers a perfect spot to soak in the vista. Studio/Office: In the back garden, a studio/office offers an ideal space for working from home, pursuing creative hobbies, or creating a retreat for teenagers. A tandem double garage ensures ample space for vehicles and storage. The property is seamlessly connected to its seasonal gardens through meandering travertine stone paths that provide resting points to enjoy the tranquility and privacy of this unique offering. This property is truly something special, offering a unique blend of character and modern comfort. All of this on a rarely found 1040 sqm (approx) block. Close to local schools, shopping village, waterfront and ferry wharf. Features Split-System Air Conditioning units 8.7KW Enphase (7kw Solar System) Water tank Ceiling fans
